Proposal Proposed New Chapters

This Consultation Paper (“CP”) has been issued to provide market participants with an opportunity to comment on amendments to the DME Rulebook to introduce 12 new contracts for listing on the Exchange.

Application of this Consultation Paper

This CP is directed primarily at current and prospective DME market participants, but DME welcomes comments from any other interested parties.

Overview of Changes

The DME is proposing to list the following 12 new contracts for trading on the Exchange:

- Brent (Singapore Marker) vs. DME Oman Crude Oil Futures
- Brent vs. Dubai (Platts) Crude Oil BALMO Futures
- Brent vs. Dubai (Platts) Crude Oil Futures
- DME Oman vs. Dubai (Platts) Crude Oil Futures
- Dubai Crude Oil (Platts) Average Price Option
- Dubai Crude Oil (Platts) BALMO Futures
- Dubai Crude Oil (Platts) Futures
- DME Oman Crude Oil BALMO Futures
- DME Oman Crude Oil Calendar Futures
- Singapore Gasoil (Platts) vs. DME Oman Crude Oil Futures
- Singapore Jet Kerosene (Platts) vs. DME Oman Crude Oil Futures
- Singapore Mogas 92 Unleaded (Platts) vs. DME Oman Crude Oil Futures

These are cash-settled contracts, and all their relevant terms are contained in proposed new chapters 19 to 30.

A complete markup of the relevant rules can be accessed at the following link:

How to provide comments

The deadline for providing comments on this Consultation Paper is thirty (30) calendar days from publication. For the avoidance of doubt, all comments must be received by the Exchange on or before December 2, 2015 at 6:00 PM in Dubai. All comments on the proposed changes should be sent by email to the DME Compliance Department at compliance@dubaimerc.com

Next steps

Unless specifically requested otherwise, DME may publish any comments received on its website.

As soon as practicable following the deadline for comments on the proposals in this Consultation Paper, DME will consider whether any amendment or revision to the proposed changes is appropriate. DME will then implement the change(s) if any.
